

EXOTIC FELINE RESCUE CENTER

THURSDAY, MARCH 10TH, 7PM

Since its founding in 1991, the EFRC which is based in Center Point, IN, has served as a nationally recognized leader in big cat rescue, conservation and care. In the past 19 years the EFRC has grown from its humble beginnings with only three exotic felines to today caring for over 223 cats, representing nine different species.

Jean Herrberg, Assistant Director, will provide an overview of the history and mission of the EFRC as well as information about the typical feline habitat, food for the current residents (3000 pounds of meat per day!), scheduling a tour, and how you can make arrangements for an overnight stay.

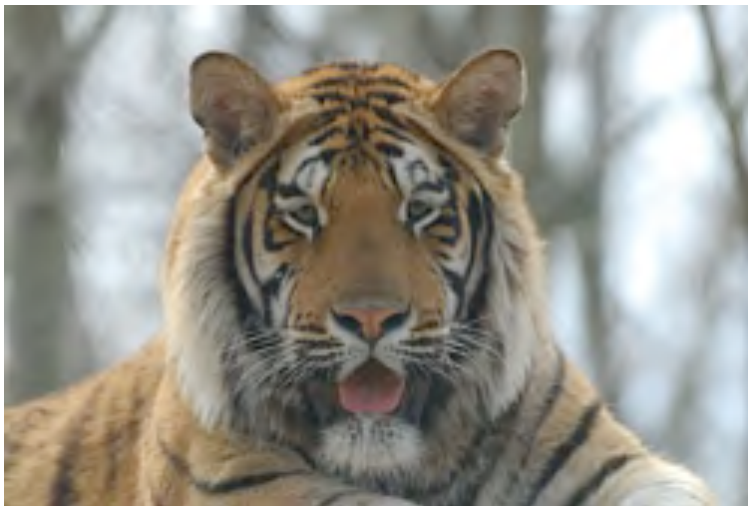

Guests may sign up to win a 2011 Indiana State Parks Annual Pass. Refreshments will be served.

**Thursday, March 10th, 7pm
Brown County Public Library, Lower Level**
